UX/UI Designer INNOVATIONS TEAM

RANDSTAD FRANCE, SAINT-DENIS / MAR 2017 - NOV 2017

As part of the multi-disciplinary Innovations team, I practiced a user-centric approach to conceive mobile applications for the Randstad network. Collected information through interviews and questionnaires. Developed user journeys and in-depth user paths to form a foundation for idea generation.

- Facilitated collaborative ideation sessions
- Sketched and wireframed ideas
- Created interactive prototypes
- Conducted testing, analyzed results, presented findings, and proposed solutions
- Conceived data-driven visual design of interfaces

UX/UI Designer

GANDI.NET, PARIS / OCT 2005 - FEB 2017

Developed the visual identity of renowned domain name and web host Gandi during a period of rapid growth. Was part of an agile and collaborative team that met company objectives through scrum and team sprints.

- Conceived product visuals and iconography
- Designed fully-responsive, user-centric interfaces
- Created wireframes and prototypes
- Analyzed user feedback to improve usability

Senior Web Designer

LYCOS EUROPE WEBHOSTING, PARIS / NOV 2002 - OCT 2005

Defined design guidelines and determined the overall graphic orientation for the European domain name and web hosting market.

- Designed all interfaces: product presentation, user account, buying process).
- Graphical development of web applications, including "OneClickSite," "CV Online" and "Photo Album Online".

Art Director

BAMBOO NEW MEDIA, PARIS / JAN 2000 - OCT 2002

At this Parisian web agency, I worked with varied clients to determine goals, design bold brand identities, and create rich online presences. I collaborated directly with front-end developers to bring the concepts to life.

Graphic Designer

STURGES DESIGN, NEW YORK / JUN 1996 - DEC 1999

Assisted the Art Director in the layout of architectural books for publishers including The Monacelli Press and Rizzoli. Designed visual identities: logo, colors, and related materials.
